

FOR THE LOVE OF FILM

**THE CITY OF TORONTO AND ASTRAL MEDIA'S THE MOVIE NETWORK
AWARD FOR BEST CANADIAN FEATURE FILM**

The City of Toronto and Astral Media's The Movie Network Award for Best Canadian Feature Film goes to Ruba Nadda for *Cairo Time*. Described by the jury as a superbly directed lyrical waltz of longing and desire across disparate worlds, with exquisite performances by Patricia Clarkson, Tom McCamus and Alexander Siddig. The film evocatively serves as an analogy for the intricacies of passionate romance that, for practical reasons, can never be realized. The jury is also honoured to recognize with a Special Jury Citation, the work of a master, Bernard Émond's *La Donation (The Legacy)*. Generously co-sponsored by the City of Toronto and Astral Media's The Movie Network, the award carries a cash prize of \$30,000.
